WARRANTS LOSE BY 877,000

COUNTY RAPS WARRANT PLAN, FAVORS PROPOSITION FIVE

Unofficial Figures Indicate 72 Per Cent
Vote In Special Election Held Tuesday;
Ballots To Be Canvassed Next Monday

Unofficial but complete returns from thirty-three of the thirty-six precincts indicate that seventy-two per cent of the registered voters of the county participated at the polls Tuesday in the state-wide special election.

On the five propositions submitted, El Dorado County voted as follows:

Proposition One, Yes, 1896; No, 3617;

Proposition Two, Yes, 1490; No, 3551;

Proposition Three, Yes, 3091; No, 1645;

Proposition Four, Yes, 3089; No, 1584;

Proposition Five, Yes, 3006; No, 2396.

Negro Hill, Salmon Falls and Indian Diggings precincts were not included in the tabulations which gave the above figures.

Late returns on the election over the state show that for 10,836 of the 11,209 precincts the vote was:

Proposition One: Yes, 962,223; No, 1,839,913;

Proposition Two: Yes, 768,316; No, 1,794,875;

Proposition Three: Yes, 1,768,032; No, 699,096;

Proposition Four: Yes, 1,774,289; No, 684,134;

Proposition Five: Yes, 1,058,753; No, 1,674,097.

The warrant plan, Proposition One, was defeated approximately two to one in the county but carried in Coloma, Grizzly Flat, Hank's Exchange, Nashville, Pleasant Valley, Shingle and Somerset precincts.

Proposition Two carried in Somerset precinct.

Proposition Three was beaten in Aukum and Pilot Hill precincts and Proposition Four was defeated in Aukum and Pilot Hill and tied in Coloma precinct where the vote was 82 "yes" and 82 "no."

Proposition Five lost in Coloma, Fairplay, Hank's Exchange, Nashville, West End, Pilot Hill, Smiths Flat, Somerset and Wing's Store precincts and tied at Gold Hill, where the vote was 31 to 31.

The Board of Supervisors will meet on Monday, November 13, to canvass the poll vote and also the absentee vote, which approximates 200 ballots.

The figure on the approximate percentage of the registered-vote cast was arrived at by totaling the vote cast for and against Proposition One and ascertaining the percentage of the registration total, which was 7,796. The result is 71 per cent plus.

Special Sales For 2 Days

Stores, Closing Saturday,
Will Remain Open Friday
Until Late In Evening

Principal places of business in the county seat will observe Armistice Day as a holiday and in view of the circumstance that the day falls on Saturday, a special two-day merchandising event is being held on Thursday and Friday of this week.

On Friday, most of the stores will remain open in the evening until 8 o'clock as is their usual custom on Saturdays.

Housewives and other homemakers should thus plan for a two-day weekend and take advantage of the special offerings of the Placerville business houses for Thursday and Friday shoppers.

The closing on Armistice Day is in compliance with a city ordinance against which it is worthy of note that no exception is being expressed, and in cooperation with the American Legion and other war veterans' organizations encouraging a patriotic celebration of the cessation of hostilities in the war twenty-one years ago.

Mrs. Alice Lyon and Mrs. M. J. Sickles, with Glen D. Stevens at the wheel, drove to Petaluma Wednesday to attend funeral services for their friend, Mrs. John Doss.

Camino Farm Center will hold its regular meeting on Tuesday evening, November 14th, at the Camino clubhouse.

ARMISTICE DAY RITES SET

Parade, Exercises And
Football Game Scheduled
Saturday In County Seat

Celebrating the twenty-first anniversary of the signing of the Armistice in the World War, Saturday will be a business holiday in Placerville as the county joins in an observance arranged under the sponsorship of El Dorado Post No. 119, American Legion.

The doings of the day will take the usual form, opening with a parade of veterans' and other civic and fraternal bodies, Boy Scouts and school children, at 10:15 o'clock to be followed at 11 o'clock by public open-air exercises at which Judge Raymond T. Coughlin, of the Sacramento County Superior Court, will be the principal speaker.

In the afternoon, sports followers will have their last chance to see (Continued on page two)

Nov. 23 Is Favored For Thanksgiving

Placerville will observe Nov. 23, the date set by President Roosevelt, as Thanksgiving Day if the city council acts on a suggestion approved Tuesday by Placerville Lions.

The Lions approved a motion to observe that day by closing, and to remain open on the last Thursday of the month, November 30th.

The situation arises as a result of the phraseology of the city ordinance ordering the closing of stores on certain holidays since the ordinance specifically designates Thanksgiving as the last Thursday in November.

Since the President has proclaimed the day, and Governor Olson has endorsed the date and will make it a state holiday, there is little doubt but that the observance of November 23 as Thanksgiving Day will be "unanimous" in the county seat.

Music Series Change Is Announced

Following the second event of the Placerville Music Series, which presented The Nightingales in songs and costume at the Shakespeare Clubhouse Tuesday evening, the management announced that owing to the death of one of the members, the appearance of the Pro Musica String Quartette, booked for December 5, has been cancelled.

Instead, the Coppin Trio will appear for an engagement on December 12th, which will take the place of the previously scheduled December 5 date.

The Nightingales were very well received by a large and appreciative audience in their Tuesday night appearance.

Pleasant Valley Dance On Saturday Night

We wish to call the attention of our readers to the advertisement of the dance to be given Saturday night by Pleasant Valley Grange. Our notes from Young's District, state that the dance has been postponed but this is in error, although the correspondent was correct at the time the report was written. Later plans, however, have resulted in Pleasant Valley Grange going ahead with its dance on Saturday night.

Directors of the county farm bureau will hold their regular meeting Thursday night at the Farm Advisor's office.

THE FIRST ARMISTICE DAY IN PLACERVILLE, found the community wearing masks as a safeguard against the continuing spread of influenza. These two views of a portion of the celebration on November 11, 1918, were loaned to us by Mr. and Mrs. Thomas Ward. One shows the "Goddess of Liberty" surrounded by masked celebrants. The other is a view of the "Goddess of Liberty" as it passed Coloma Street on Main Street. The lady is Mrs. Robert Veerkamp, of Garden Valley.

Oil Prorate Bill Loses

Voters Turn Down Plan
Second Time Despite
Support By Roosevelt

SAN FRANCISCO (UP)—The Atkinson oil control bill, designed to place California's petroleum industry on a pro-rate basis under state supervision, was beaten by more than 600,000 votes in yesterday's statewide election, despite support given the measure by President Roosevelt and the personal intervention of Secretary of the Interior Harold L. Ickes.

Returns from 10,836 of the 11,209 precincts in the state gave the bill 1,058,753 votes, with the opposition rolling up 1,674,097.

It was the second time an oil prorate measure had been defeated by California voters, the Sharkey bill having been swamped in the 1934 election.

For several years the petroleum industry has been operating under a voluntary pro-rate program. The Atkinson bill, which also was supported by the navy department as a conservation measure, set up a three man commission which would have complete control of the industry. The commission would be composed of the directors of natural resources, finance and public works, all appointed by the governor.

Coloma Farm Center Had Meeting On Monday

Coloma-Lotus-Gold Hill Farm center met Monday evening at the Coloma Community Hall with Malcolm Veerkamp, chairman, presiding.

Motion pictures of the University of California, a talk by the Farm Advisor, a discussion of the special election propositions, and a talk by L. W. Veerkamp on the fall and winter pear program of the Oregon-Washington-California Pear Bureau made up the program.

Max Bollman, a member of the committee in charge, was present to confer with the center on plans for the annual county farm bureau meeting at Coloma on December 2.

Nazi Campaign Believed Near

Increasing Activity
South Of Luxembourg
Hints Major Movement

German forces resumed the initiative today in the sector of the western front immediately south of Luxembourg which reported great aerial and artillery operations within sight of its border.

Whether that activity was a prelude to larger-scale action or was primarily for routine reconnaissance purposes, there was no telling.

French dispatches reported heavy troop movements back of the German lines. Both German and allied sources now agreed that sizable Nazi forces are being held close to the Belgian and Dutch frontiers. Berlin's explanation was that that was a good place to keep reserves that might be needed on the French front.

In most European capitals the belief persisted that some sort of German pressure against Holland and Belgium was a factor behind yesterday's peace appeal by Queen Wilhelmina and King Leopold.

COUNTY CONSERVATION ASSOCIATION MEETS TUESDAY, NOV. 14

The regular annual meeting of the El Dorado County Agricultural Conservation Association will be held at 1:30 o'clock Tuesday at the Superior Court room in the courthouse.

Rossi Wins In Record Vote

San Francisco Re-Elects
Entire Incumbent Slate
In Tuesday Balloting

SAN FRANCISCO (UP)—San Francisco voters re-elected their entire slate of incumbents, headed by Mayor Angelo J. Rossi, in yesterday's municipal election, complete unofficial returns showed today.

Rossi polled approximately 21,000 more votes than did his nearest opponent, Congressman Frank R. Havenner, unofficial figures from the city's 1,084 precincts disclosed, after a campaign in which Rossi accused the congressman's supporters of violating the Hatch Act forbidding participation of government employees in politics.

There was an all-time record turnout of 284,783 of the city's 343,000 registered voters.

San Francisco voters went with the state in voting down the Ham and Eggs pension plan, 187,812 to 91,743.

They favored four of their six city charter amendments — minimum wages, veterans exemption, municipal car men, and wage adjustment for firemen. Measures which would have banned "jitney busses" and to make elective the office of coroner were defeated.

In connection with the mayor's complaint against an unusually large number of houseflies in the community, we suggest that we happen to know of one situation in the business district where a kick against the side of any one of several garbage cans will send the flies aloft in swarms of, well—hundreds.

A little attention to this matter by those who may be at fault, and a little persuasion if necessary by the constituted authority ought, it would seem, to help materially.

N. Neilsen was a caller in the county seat from near El Dorado on Wednesday.

"HAM AND EGGS" LEADERS SAY OLSON RECALL IS DUE

Returns From 10,836 Of State's 11,209
Precincts Show Propositions Two And Five
Defeated, Three And Four Approved

SAN FRANCISCO (UP)—California voters decisively defeated the Ham and Eggs pension plan by almost two to one margin on the basis of nearly complete election returns tabulated today.

Sponsors of the controversial "30-Thursday" pension plan conceded defeat but said they would support recall petitions against Gov. Culbert L. Olson, who opposed the measure. Pension leaders said the plan would be resubmitted to the voters next year.

Patterson Seeks To Wear Toga

Denies Breach With Olson
And Declares Intention
To Oppose Sen. Johnson

SAN FRANCISCO (UP)—Democratic Lt. Gov. Ellis Patterson definitely will be a candidate for the United States senate, opposing Sen. Hiram Johnson, R., next year, he made plain today.

He couched his reaffirmation of candidacy with a denial of a breach between himself and Gov. Culbert L. Olson, and stated flatly he would not be a candidate for governor in an impending recall election.

Patterson had been a strong supporter of the "Ham and Eggs" measure, defeated in yesterday's election; Olson had spoken twice against it. They also differed over the Atkinson oil control act, which was defeated.

Petitions seeking the recall of Gov. Olson have been filed with the clerks of San Francisco, Los Angeles, Orange and Fresno counties. Ham and egg pensions forces announced they would get behind the recall immediately.

Johnston to the contrary, Conn and his board of control probably are smart to duck Pastor. The best such a fight would draw would be around \$100,000 and Conn might well get kicked, Pastor being his equal as a boxer and having a decided edge on him in experience. By playing safe and ignoring Johnston's taunts, Conn can be almost sure of an outdoor shot for the heavyweight championship next summer. And Conn and Louis would do half a million or more at the gate. Conn is personable, he has that intangible thing we call color, and, not having been whacked to bits by Louis, could be built into quite a card. Of course, he would be murdered. No Fancy Dan is ever going to lick Champion Joe, and Fancy Dan is just what Conn is. He has a pretty style and a winning smile, but he can't hit. And when a fellow can't hit, Louis just shuffles in, brushes past artistic but futile punches, and lets fly. The fragile Conn wouldn't be in there much longer than the echo of the referee's final instructions. One left hook and one drilling right and Billy would be a little man who wasn't there.

LOTUS

The weather the past week has been cold with a little frost in the morning. The highest the mercury got was on Tuesday last when it registered 86 degrees during the afternoon. The present month came in like those of 1937 and '38 with partly cloudy days. The first rainy day for the month in 1937 was on November 11th and there was no more for that month. The last rains for 1938 was a light rain on November 4th in the afternoon and also on November 30th.

Halloween passed off quietly in our town. Many pranks were played including gates taken off the hinges and changed to other places; school zone signs pulled up and carried some distance and thrown over fences; and bell ringing. At Coloma the same tricks were done but in addition the historic markers of that town were pulled up; those which had recently been put up. A lot of other tricks were done, however, no great damage was reported we are pleased to say.

Sam Summers of Coloma went down to Polson last Tuesday with Melvin Gallagher to try his luck fishing for salmon. We did not learn how many fish he caught; but will venture to say if there were any fish in the river, Sam will get them as he is a very lucky man when it comes to fishing.

Walter Leavitt, fruit man and manager of the Pacific Fruit Exchange in Placerville was in our town last Friday talking to some of

our pear growers. On Wednesday last our old friend Axel Kilander reached four score and one year mark November 1, being eighty-one years of age. He spent the day quietly at the home of Mr. and Mrs. Archie Lawyer where he is now making his home and is hale and hearty as ever.

They returned early for the purpose of attending the moving pictures.

Pontiac for 1940 features distinctly new front end design but still retains the famous Silver Streak which has identified it since 1935. As shown here all Pontiac models for 1940 are marked by more liberal use of chromium for decorative effects, double bar front bumpers, parking lamps mounted directly above new Sealed Beam headlights, chromium belt moulding and trimming around the windshield.

WALDRON NAMED DEALER FOR NEW PONTIAC IN COUNTY

Vincent Waldron, manager of the Richfield Oil company service station opposite the courthouse, has been named Pontiac dealer for El Dorado County and is displaying new models lately received.

Expanding its lines to cover the widest market in its history Pontiac enters the 1940 season with 17 body models on four separate chassis. Its bid for the volume market is being made with a larger low-priced Special Six. Restyled Deluxe Sixes and Deluxe Eights take care of that large volume market just above the Special Six. Newest departure from previous years, however, is Pontiac's definite swing toward a still more exacting and discriminating field of buyers with a stunning new luxury eight, called the Torpedo Eight.

The low-priced Special Six comes in five body models, two and four door touring sedans, business and sport coupe and station wagon. Bodies are completely new with more room in every direction. Floors are 4 inches lower thus making the cars easier to step into. Windshields are 1 1/2 inches wider and 1 inch deeper, thus giving 11 per cent in-

crease in glass area which adds to the visibility and safety in driving. Front seats are 4 inches wider providing ample room for three passengers with much extra elbow room for the driver. Rear seats are 3 inches further forward from the rear axle, thus improving the ride.

Sacramentan Died Near Twin Bridges Suddenly

A certificate filed at the courthouse by Coroner A. J. Orelli reveals the death November 5 near Twin Bridges of Chandler C. Bean, 72, of Sacramento. Mr. Bean, who had lived in Sacramento for many years, was suddenly stricken while vacationing near Twin Bridges. Death was found due to a coronary occlusion. The body was removed to Sacramento for interment.
